**2017 Domaine de La Cote de L'Ange  
Côtes du Rhône**

---

The 2017 Côtes du Rhône is more mid-weight compared to the 2016 yet has pretty red fruits, flowers, and spice-driven aromas and flavors, with just a hint of menthol. Silky, polished, medium-bodied and balanced, it's a charming 2017 to drink over the coming 3-4 years.

*Domaine de La Côte de L'Ange produces a ripe yet traditional style of wine. In addition to their Châteauneuf-du-Papes, they make a terrific Côtes du Rhône as well.*
