The 2020 Châteauneuf Du Pape Blanc checks in as 40% Clairette, 25% each Grenache Blanc and Bourboulenc, and 10% Roussanne, brought up mostly in tank, yet with 20% in demi-muids. It's a medium-bodied, clean, vibrant white that shines in the vintage, offering lots of melon, honeyed flower, and spicy aromas and flavors. I love its overall balance, and it has good acidity followed by a clean, crisp finish.
